HUT Game Calls

Presentation game calls are a thing of beauty and function. If you can turn a pen, you can make a beautiful game call. All the parts you'll need are available in two kits, the HUT Duck or Deer Kit and a reusable Game Call Turning Kit.

Each Duck or Deer Wood Blank Kit consists of two pieces of grain-matched wood, the reed hardware necessary to make the call sound and a lanyard.

We have selected a number of turning materials (see choices below) which lend themselves well, both in hardness and beauty, to game calls. The wood blanks have been drilled for you and all you need is a lathe and turning tools. In addition, Deer Call Kits include an O-Ring design that allows you to create different pitches from the same reed.

Instructions are included with each kit. Both calls turn on a standard 7mm double pen mandrel.

Duck Call Blank Kit Includes two predrilled blanks (1-1/2 x 1-1/2 x 4" and 1-1/2 x 1-1/2 x 2"); reed mechanism 3001 and lanyard 3002. For use with HUT Reusable Game Call Turning Kit 3000.

Deer Call Blank Kit Includes two predrilled blanks (1-1/2 x 1-1/2 x 4" and 1-1/2 x 1-1/2 x 2"); reed mechanism with expansion hose 3021 and lanyard 3002. For use with HUT Reusable Game Call Turning Kit 3000.

Duck	Deer	Material	Price	
3101	3201	Bocote	\$10.49/set	
3102	3202	Cocobolo	\$13.49/set	
3103	3203	Osage Orange	\$9.89/set	
3109	3209	Black Walnut	\$8.29/set	
3113	3213	Claro Walnut	\$8.29/set	
3114	3214	Myrtle	\$8.29/set	
3115	3215	English Walnut	\$8.29/set

Game Call Turning Kit

3 rubber expansion bushings (two 3/4 OD and one 1/2 OD); 6 washers; 5 pieces of brass tubing, various lengths; and a stopper turning guide. The parts are reusable and will make many deer or duck calls. For use with HUT Deer Call or Duck Call kits.

3000 Game Call Turning Kit . . . \$6.49

3000B Replacement rubber expansion bushings. 2 for \$1.50
Available in 1/2", 5/8", and 3/4"

Don't forget...
HUT Crystal Coat™
\$12.99

Predrilled call blanks can be purchased for use with many of the call reeds HUT offers. These blanks are \$3.20 less than the kit price.

Undrilled blanks are also available. These are blanks only -- no call reed or lanyard. For undrilled wood see HUT's selection of turning materials.

CALL REEDS

Designed to fit our HUT Call System!

All Call reeds, except the crow call, cow elk call, short reed goose and L.D. calls require a 3/4" drill bit 0158 for the upper barrel, and a 31/64" drill bit 0176 for the stopper. The cow elk call and crow requires a 41/64" drill bit 0143. The short reed goose call requires a 5/8" drill bit for the stopper and a 3/4" drill bit or better for the barrel.

Tone Board/Stopper Jig!

A jig designed for custom call makers! It holds the turned stopper while the tone board is cut on the bandsaw, allowing the callmaker to produce the same shape from call to call. After the tone board has been sawn to shape it can be smoothed out with a file. Jigs are made of hardened tool steel so that sawing and filing will have little to no effect on the jig. Instructions included.

3033 5/8" Tone Board/Stopper Jig \$199.99 ea.

Game Call Starter Kit

Want to get started making game calls? This is all you need. When finished you will have a call you will be proud to own.

Specify a duck or deer call when ordering.

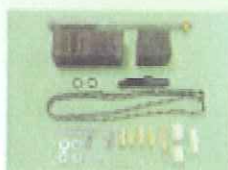

Choose Your Kit:

Each Pouch is 3 1/4 x 7 1/2"

Stopper Mandrel System!

The perfect companion for the Tone Board/Stopper Jig.

Turn perfect stoppers every time!

The heart of this system is the flared mandrel that seats perfectly into the 10 degree flared recess cut by the custom designed reamer. This flared area acts like a morse taper fit and allows trouble free turning.

Stopper System Includes:

- 1) Reamer-made of tool steel and sharpened after heat treating to the proper cutting clearances.
- 2) Blind mandrel-made of high quality steel.

3040 Stopper Mandrel System \$45.99

- 3) Split MT allows quick release of the mandrel upon completion of the stopper!

3041 Split Morse Taper \$15.99

Also available:

3042 #1 to #2 MT Adapter \$8.49

Acrylic Display Box

Enjoy the beauty of your custom turned game call with our clear Acrylic Game Call Display Boxes! Great for use with customer purchase, display or for collector cases. Includes three removable light gray foam inserts to insure snug fit.

3010 Acrylic Display Box \$3.29 ea.

Box of 25 \$2.79 ea.

Approximate Size: 2-1/4 x 2-1/4 x 6-1/4"

Game Call Display Tubes

These 3" x 6" clear tubes come with white caps. They work great for displaying game calls or any other small turnings.
