## HUT Crystal Coat™

Liquid Friction Finish

GREAT FINISH!

Works  
great on  
Calls!

HUT Crystal Coat™ liquid friction finish is now regarded by many as the best finish available. Just a drop of this magical mixture of rich, warm shellac and water-resistant Carnauba wax produces a glass-like finish in seconds! Finishing on the lathe has never been this easy!

HUT Crystal Coat's friendly squeeze bottle will make application an easy, no-mess experience. This is the final finish you've been waiting for...try it on all of your wood projects!

0104 HUT Crystal Coat™  
6 oz. bottle ..... \$12.99

## HUT ULTRA GLOSS

PLASTIC POLISH

Amazing polish gives plastic a glass-like polish in seconds! Works on plastic ranging from the softest materials, like the buter-

ates, to harder materials such as Crushed Velvet, Acrylic Acetate, AcryliGem, Poly-Gem, Acrylic Rod, Cellulose Acetate, and Corian.® The easiest, fastest way to polish plastics on the lathe. Simply sand your turnings to 800 grit or higher and polish. There is no need for higher grit sanding. HUT ULTRA GLOSS™ is specially formulated so that it will not dry up or cake during use. 8 oz. bottle.

0106 HUT Ultra Gloss™  
Plastic Polish ..... \$10.49

## HUT Magic Sand™

Nonwoven, steel wool sheets last 3 times longer than sand paper! Won't scratch or groove finished surfaces like sand paper. Available in four grades!

Size: 9 x 11"

Save with HUT's Variety Pack Including all four grades!	1111	0 gd . . . . .	\$3.99
