

WOOD JUICE™

A WOOD TREATMENT DEVELOPED FOR DRY WOOD TO PREVENT FUTURE CRACKING OR SPLITTING

- Rejuvenates old dry wood. • Does not contain silicone, wax, or mineral oil.
- Will not migrate in the wood when dry.
- Works best on unfinished wood.
- Can be stained or finished over with any type of stain or finish.
- Does not contain water.
- Wood can be glued with any type of glue after WOOD JUICE has dried in the wood.
- WOOD JUICE contains food grade solvents, which may soften oil finishes that are not completely polymerized.

DIRECTIONS: Brush on a generous amount of WOOD JUICE to all surfaces of the wood. Repeat application until the wood is completely saturated and will no longer absorb WOOD JUICE. Keep in mind that the best penetration is through the end grain. Be sure that the wood has dried after using WOOD JUICE before gluing or finishing.
Caution: Keep from direct heat or open flame. Do not smoke when using this product.

Emergency and First Aid Procedures: **Eye contact:** Immediately flush eyes with large amounts of water and continue flushing until irritation subsides. If irritation persists, seek medical attention. **Skin contact:** Remove contaminated clothing. Wash contaminated area thoroughly with soap and water. If irritation persists, seek Medical attention. **Inhalation:** This material has a low vapor pressure and is not expected to present an inhalation exposure at ambient conditions. If vapor or mist is generated when the material is heated or handled, remove victim from exposure. If breathing has stopped or is irregular, administer artificial respiration and supply oxygen if it is available. If victim is unconscious, remove to fresh air and seek medical attention. **Ingestion:** Do not induce vomiting due to aspiration hazard. If vomiting occurs, lower head below knees to avoid aspiration. Seek medical attention.

NOTE: The solvents contained in WOOD JUICE meet FDA Regulation for Direct Food Additives (21CFR 172.884) and Indirect Food Contact (21CFR 173.365a).

DISCLAIMER: Because of varying experience of the user and may be applied under conditions beyond our control, as seller, we make no warranty expressed or implied as to this material or its use. All information stated here in is accurate to the best of our knowledge and is based on thorough testing.
